Hi Laurie,

There are a couple more places where Leah and I have some uncertainty, she specifically asks for us to look at – do you mind taking another look and concurring/commenting as appropriate? I know Jim Curtin is planning to look at ~1 eastern today and then she is hoping for us to be done by 3 so she can get it to the RA's office. Thanks so much!! I'm attaching it again for your convenience.

Holly
